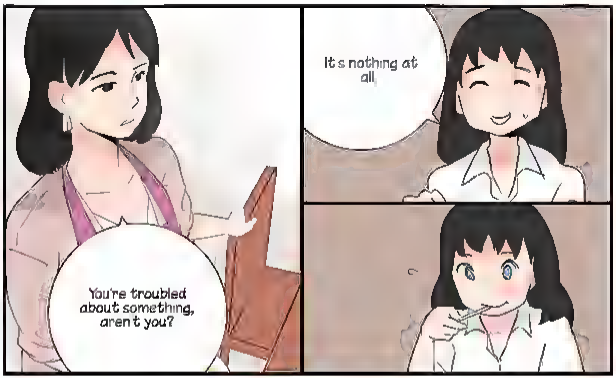
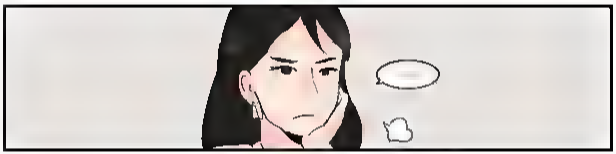
TEENAGE MOM

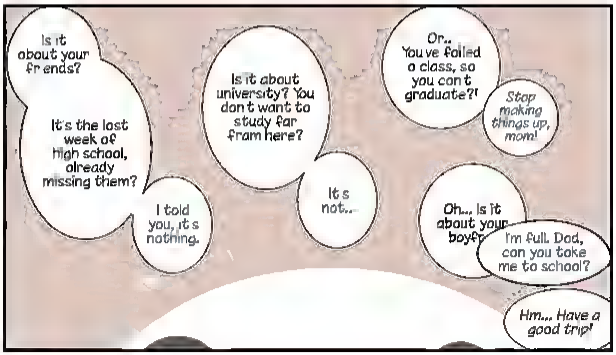
Author & Artist - theterm

Fah
HEY FAH!!
What is it, mom?
You've been absentminded lately.
Is that so?
Yeah, I have to call you louder so you'll come to your senses.



You're troubled about something, aren't you?
It's nothing at all.



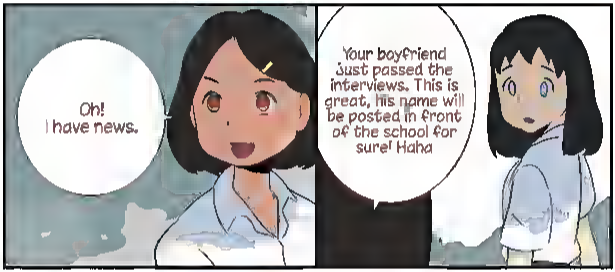


Is it about your friends?
It's the last week of high school, already missing them?
I told you, it's nothing.
Is it about university? You don't want to study far from here?
It's not...
Or.. You've failed a class, so you can't graduate?!
Stop making things up, mom!
Oh... Is it about your boyfr
I'm full. Dad, can you take me to school?
Hm... Have a good trip!

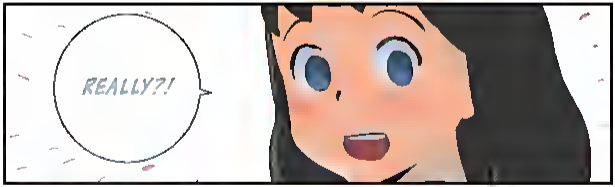
FAHHHHHHH
Ah! "Mod." You didn't need to shout...
It's the second time already!
I called you so many times and you still wouldn't look back at me-
I... Is that so?
You're walking around absentmindedly, like you don't know

TL NOTE: "Mod" in Thai means "Ant" in English. Fah's friend

You already have a university to go to, what else are you worrying about?
You must be feeling down because we only have a week left to meet with everyone right?
Hm... Same here, but it can't be helped.



Oh! I have news.
Your boyfriend just passed the interviews. This is great, his name will be posted in front of the school for sure! Haha



REALLY?!

Eh...?
I was going to confirm it with you if it's really true or not... Don't tell me...

Did you just find it out from me...?
Y...Yeah
What kind of couple are you...?
Did they have a fight?
He finally did it That's great ..
Never mind

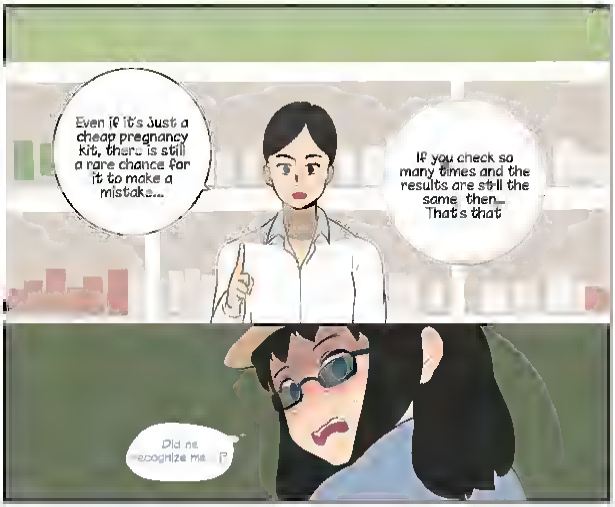
Preg test

I better buy this.

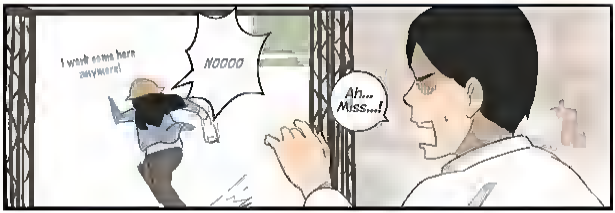
Yes.

Thank you.
You're welcome.
This girl, she's been coming here often

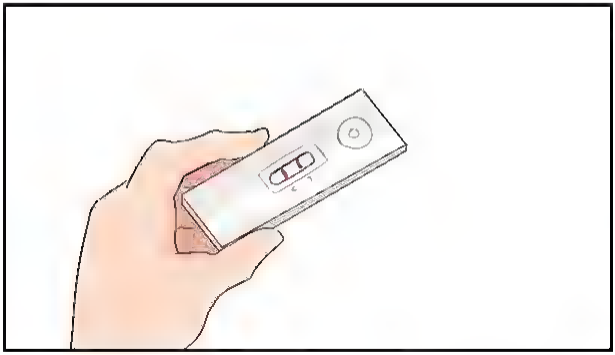
Excuse me.



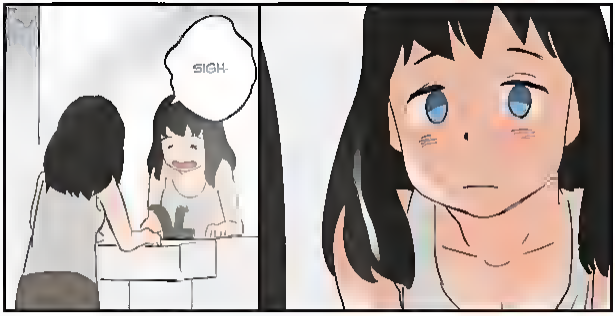
Even if it's just a cheap pregnancy kit, there is still a rare chance for it to make a mistake...
If you check so many times and the results are still the same then... That's that
Did he recognize me...?



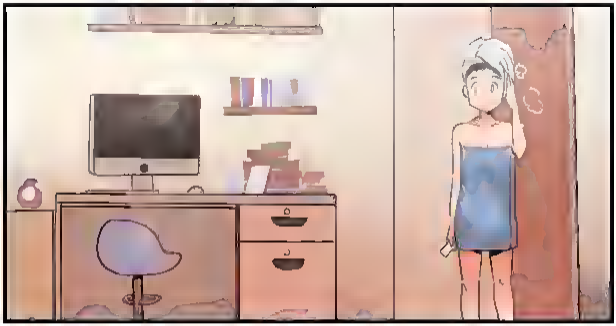
I won't come here anywhere!
NOOOO
Ah... Miss...!

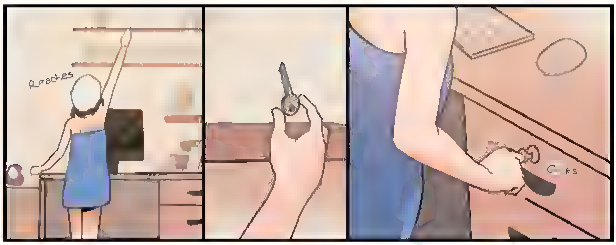


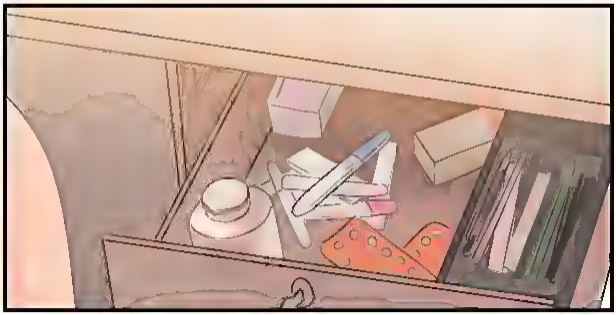
Umm...



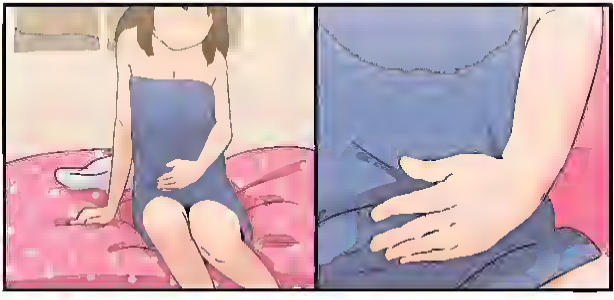
SIGH-

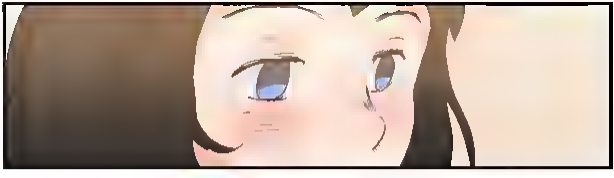


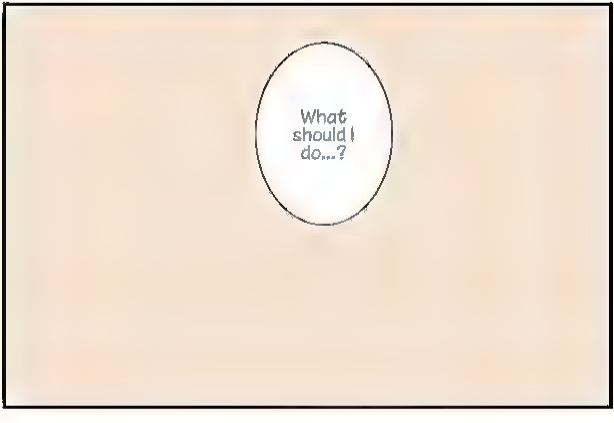




Thud
I should throw them out it's starting to smell
HAAAAA~
I knew the results weren't a mistake
But I just don't want to believe it.







What should I do...?
